COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This communication is responsive to the Notice of Allowance dated November 21, 2006, concerning the above-referenced patent application.

The Examiner stated the following:

Claims 1, 3, 5-22, 24, 26-31 are allowed in view of the Applicant's arguments (Response filed 8/16/2006) and the cited prior art of record. The independent claims recite restoring radio calibration parameter information in a PDA in which the radio calibration parameter information is unique to the PDA and previously

purposes, in which the data in the selected file is imported into the PDA in order to adjust the frequency of wireless communication by the PDA, which, in addition to the rest of the claim limitations, are distinguished from the prior art. For support, see Instant Specification (pg. 2, line 18 through pg. 3, line 3, pg. 6, lines 1-13, 20-27, pg. 7, lines 4-27, pg. 16, lines 7-15, pg. 22, lines 8-23, pg. 23, lines 6-26, pg. 24, lines 4-15, pg 25, line 24 through pg. 26, line 15).

While the Applicants agree that the allowed claims recite a combination of subject matter that is patentable over the cited references, the Applicants do not necessarily agree with or acquiesce in the statement of reasons for allowance given by the Examiner. Moreover, the Applicants note that the recited subject matter as well as various other subject matter and/or combinations of subject matter may be patentable for other reasons than those given by the Examiner. The Applicants expressly reserve the right to set forth additional and/or alternative reasons for patentability and/or allowance in connection with the present Application or in any other future proceeding.

REMARKS

These Comments on Statement of Reasons for Allowance under 37 C.F.R. § 1.104 is intended to be responsive to the Notice of Allowance dated November 21, 2006.

Respectfully submitted,

Date 2-21-07
